

# dream a little dream of me

m: fabian andre/wilbur schwandt l: gus kahn

stars shining bright above you  
 night breezes seem to whisper i love you  
 birds singin in the sycamore tree  
 dream a little dream of me

say nighty-night and kiss me  
 just hold me tight and tell me you'll miss me  
 while i'm a lone and blue as can be  
 dream a little dream of me

stars fading and i linger on dear  
 still craving your kiss  
 i'm longing to linger till dawn dear  
 just sayin this

sweet dreams till sunbeams find you  
 sweet dreams that leave your worries behind you  
 but in your dreams whatever they be  
 dream a little dream of me
