callin round the country, we're the 99

I go to work each morning I wear a suit and tie
I can see it in the mirror you can see it in my eyes
they're cuttin down the payroll and now I'm worried all the time
and it won't be long, I'm the 99

Lookin at my babies so quiet in their beds
with all those pretty dreams fillin up their heads
tomorrow in the morning i'll be standin in that line
at the unemployment office, I'm the 99

All across the country it's red, white and it's blue
they're lookin at me and they'll be lookin at you
meet me on the corner where we're holdin up the sign
and we'll sing it together, we're the 99
