

It's a Sin to Tell a Lie

Billy Mahew 1936. first introduced by Fats Waller

Be sure it's true when you say 'I love you' ___

it's a sin to tell a lie ___

millions of hearts have been bro - ken

just because those words were spoken ___

I love you, yes I do, I love you ___

if you break my heart I'll die ___

so be sure that it's true when you say 'I love you'

it's a sin to tell a lie ___

I cross my heart and hope to die, I'll never ever tell a little white lie

took a little gal out on a date last night, next to her Gravel Gertie would-a looked all right

Now I'm between the devil and the deep blue sea, 'cause I said "hey honey you look good to me"

I told her that I loved her but oh how I lied, now she wants to be my blushing bride

If she leads me to the altar, well I'm sunk

because I can't tell that old preacher I was drunk

now Lord have mercy on a no good sinner, give me one more chance to let another guy win her

I cross my heart and hope to die, I'll never ever tell another little white lie
